

Uniquely formulated to address issues that are preventing your horse from performing at its best...

Naturally and drug-free!

After you've ruled out ulcers, does your horse still...

- **Refuse training?**
- **Distract easily?**
- **Act excessively nervous or over-reactive?**
- **Act difficult to ride and control?**
- **Exhibit anxious stall habits?**

Oxy-Calm™ provides your horse with the necessary nutritional and digestive tools it needs to handle these common factors in training, competition, and care, without the need for harmful and undesirable drugs and medications.

Our experience in equine nutritional and digestive supplements includes our guarantee to be **100% drug-free, 100% natural. Always!**
