

Oxy-Gen 2X Pro-B™ is formulated for situations where a quicker response is needed in a short period of time, when the animal is under extreme stress, or when a little more response is desired for show or sale. Formulated specifically for palatability and pellet quality, Oxy-Gen 2X Pro-B delivers TWICE the Oxy-Gen® formula and helps get your animals into top condition fast. Oxy-Gen 2X Pro-B is hand-screened to remove dust and fines, so it will not contribute to respiratory problem like other dusty supplements can.
